

AGREEMENT ADDENDUM

On Joint Activities Between University of Lahore Teaching Hospital (Pakistan)

and the Educational Institution Royal Metropolitan University (RMU)

In accordance with the Agreement on joint academic, clinical, and scientific cooperation between the University of Lahore Teaching Hospital (Pakistan) and the Educational and Scientific Production Complex of the Royal Metropolitan University (RMU), the Parties confirm the following:

During the summer periods of 2024 and 2025, as part of the implementation of academic mobility and practical clinical training programs, students of the Royal Metropolitan University (RMU) participated in voluntary clinical internships at the University of Lahore Teaching Hospital.

The University of Lahore Teaching Hospital is a modern multidisciplinary clinical center affiliated with The University of Lahore, one of the leading private universities in Pakistan. The hospital is equipped with advanced diagnostic and therapeutic technologies, provides tertiary medical care, and serves as a major training base for undergraduate and postgraduate medical education, including clinical rotations in surgery, internal medicine, pediatrics, and allied specialties.

Within the framework of this cooperation:

1. In the summer of 2024, a total of 22 students of RMU successfully completed a one-month voluntary clinical internship;

1. Muhammad Fraz

GM-1-2-21
7. Abdul Rehman
8. Waqas Ahmad
9. Maria Lashari
10. Warda Shabbir
11. Zeeshan Muhammad
GM-1-4-21
12. Muhammad Fazil Khan
13. Farhan Ali
14. Bilal Bacha
GM-1-5-21
15. Ali Majid
GM-1-6-21
16. Sania Baig

GM-1-7-21

17.Amna Khan

18.Adan Ramzan

19.Khan Iqra

20.Talha Faizan

BDS-2-22

21.Mir Zain Ul Abidin

22.Sami Abdul

2. In the summer of 2025, a total of 37 students of RMU completed the same program;

GM-1-1-25

1.Saira Umar

GM 2-2-24

2.Hussain Fida

GM-2-3-24

3. Naeem Ashaf

GM-1-1-24

4.Zeyad Sherif Ahmed

5.Mohamed Mohamed

6.Elkersh Mohamed

7.Fatima Kainat

GM-1-6-24

8.Khan Sher Akbar

9.Samad Akbar

10. Rasheed Muhammad Bin

11.Ali Farman

12.Muhammad Furqan

13.Muhammad Saad Khan

14.Farhan Alam

15.Dildar Ali Khan

GM-2-4-23

16.Irfan Imrana

17.Muhammad Salman Ijas

GM-1-2-23

18.Muqaddas

GM-1-3-23

19.Afiya

GM-1-4-23

20.Hassan Salman

21.Zakirullah

GM-2-2-22

22.Safeer Faizan

23.Abdullah Tajammal

24.Zia Zain

25.Bukhari Syeda Hamail

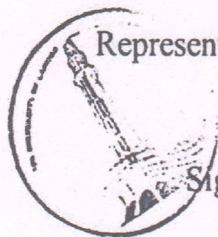

26.Qamar Abbas
27.Shoaib Shakoor
28.Khan Muhammad Abbas
29.Umair Jameel Rana
GM-2-6-21
30.Anwar Misbah
31.Taimur Ahmed
GM-2-8-21
32.Samiullah
GM-2-1-21
33.Waseem Muhammad
GM-2-2-21
34.Saqlain Muhammad
35.Abbas Farrukh
GM-2-3-21
36.Waleed Muhammad

3. Students were enrolled from 2nd to 9th semesters, representing various stages of medical education;
4. The internship included participation in:
 - clinical rounds,
 - outpatient consultations,
 - surgical observations,
 - case discussions,
 - and supervised practical skill development.

The program was carried out on a voluntary basis and aimed at:

- enhancing clinical competencies,
- improving international exposure,
- strengthening professional communication skills,
- and fostering academic collaboration between the institutions.

Both Parties acknowledge the successful implementation of these activities and express their intention to continue and expand cooperation in the field of medical education and clinical training.
